At Steve Waugh Cricket, we have one of the most respected cricketers of all time driving our business - with his philosophy and values still inspiring cricketers today. We have been fortunate to obtain access to some of Sydney's finest cricket coaching facilities at Newington College, Stanmore, featuring our coaching team - which includes international and award winning coaches plus current and former first class players. We believe that communicating and imparting Steve's philosophy and values is important to the future of the game.

STEVE WAUGH CRICKET

Our approach is about delivering a fun learning experience, helping young cricketers improve their skills and their game in a relaxed, enjoyable atmosphere. We don't believe in over-coaching kids; instead, we aim to let them be themselves, and enjoy their participation in the game. That means we look at each player to evaluate their potential and skills, and then work with them to achieve their potential.
