At Steve Waugh Cricket, we have one of the most respected cricketers of all time driving our business – with his philosophy and values still inspiring cricketers today. Our coaching team includes international and award winning coaches plus current and former first class players. We believe that communicating and imparting Steve's philosophy and values is important to the future of the game.

Three words describe the culture of Sydney Coastal Cricket Club: Trust, Respect, Humility. Our teams are competitive but we do not have a "must win" attitude; instead we want our young players to enjoy cricket and to develop in an environment that is encouraging and rewarding. Sydney Coastal was the junior club of Dave Warner and Usman Khawaja.

What to expect from the clinic:

The clinic will cover the full gamut of cricket skills, strategy and tactics, teamwork, health and fitness.

Our content includes all key cricketing skills, while also offering the flexibility for participants to gain additional coaching in their specialist disciplines.

We cover all aspects of batting, bowling, wicketkeeping and fielding.
